The Board discussed the placement of the stickers. Reggie Vokes recommended the stickers be placed on the inside front lower corner of the windshield. Walter Wotton asked if someone didn't want the sticker stuck to their vehicle is there an alternative. The Board stated the stickers must be placed on the windshield visible to the attendant and there will be no exceptions.

Steve Atkinson asked the Board what would be done in the case of weekly rentals. Different options were discussed such as different colored stickers for renters and the owner buying a sticker for the renters to place on their vehicle. Bruce Colson will place further discussion on the agenda for the next meeting.

The Board agreed that the purple stickers will be sold at the facility, cash or check will be accepted and as in the past, there will be no free replacement of the stickers which will be enforced by all Station Attendants.

Bruce Colson reported receiving a call from a former employee inquiring about their paid time off. Bruce informed the Board that he will contact Patrick Mellor for an update on the letters.

The Personnel Committee has hired Rickie Fales. Peter Lammert informed the Board that he has a problem with not hearing from the committee about new hires before they are hired. Bruce Colson explained that is why they have a Personnel Committee and the other 3 Board members must stay neutral if a grievance should arise.

Bruce Colson reported CES is in the final drafting stage which should be completed in the next couple weeks. Bruce asked the Board if they wanted the Renovation Committee or the full

Board to meet with CES. It was agreed that the Renovation Committee will meet with CES for an informational meeting regarding the renovations.

The Board reviewed the Facility Manager's report. Reggie Vokes requested permission to purchase a stamp for checks. The Board had no objections to purchase the stamp or for the approval for signs requested in the manager's report.
