

Agenda for Cemetery Committee Meeting

Town Office Oct 23, 1919 at 4PM

(Open to the public)

1. Schedule a fall survey of all cemeteries to note any fall cleanup or repairs that might be needed prior to winter or considered for next spring.
2. Discuss future cemetery preservation and stone cleaning projects.
3. Review and discuss budget and Town commitment for maintaining the cemeteries to meet state regulatory requirements.
4. Need for a Sexton or equivalent position designated person within the Town Office to maintain, update and keep current burial records. Burials in the older cemeteries need to show ownership of the site.
5. Review status of burials and sales(leases) of plots in the new Town Cemetery corner of Route 73 and Dublin Road.
6. Review status of veterans memorial markers and flags
7. Consider how to attract new members to the Cemetery Committee. Should there be terms of office? How long should such a term be?
8. Consider any other business which may be brought up.
