

OHCC Meeting Minutes Wednesday January 6, 2021 (via Zoom)

1. Approved December minutes.
2. Web Site – 300 hits to date. Discussed adding current event links and links to other town's related pages. Kathryn suggested content should be concise and focused.
3. Harbor Park – Discussed the idea of sponsoring the donation of a bench for the park. Dick and Kathryn discussed this informally. Lauren offered an idea to engage the Ash Point School students to compete to develop a theme that would be carried into the Park.
4. Buckminster property - The property is under contract. Kathryn plans to update individuals who previously planned to donate to purchase the property and place it in conservation to let them know how things settle. Annette mentioned the possibility of approaching the new owner regarding a conservation easement.
5. Plaistead – The updated sign has been hung. Annette mentioned that John Hufnagel thought that the spruces that are growing on the property boundary should be cleared to maintain a clear property line.
6. Flood resilience planning – Robin will be presenting the flood resilience material at the Select Board meeting on 1/19; please contact the Town to receive a Zoom meeting link. This material will be linked on our web page.
