

OHCC Meeting Minutes Wednesday May 5, 2021

1. **Approved April minutes.**
2. **Treasurer's Report** – Plaisted tree work came in under budget at \$2,500. The Town deposited \$1,800 into the conservation commission's account; this is the 2020 allocation.
3. **Web Site** – Sea level rise maps will be available on our site shortly.
4. **Conservation Summit** – Discussed the recent summit that Annette arranged. A summer gathering at Ft. Point was also mentioned.
5. **Sea level rise** – Robin explained that planning for a July public meeting to raise awareness about rising sea level is almost complete. A final date needs to be selected.
6. **Plaisted** – Voted to remove trash receptacle. Planning a work day on June 5th. Beth will prepare a punch list for the workday. We need to solicit help from the community.
7. **Cleanup postmortem** – Discussed the 2021 cleanup and prepared a list of refinements for 2022.
8. **Grants** – The deadline to apply for Maine's invasive plant cleanup is too near, no application is planned. Discussed how the commission can learn about available grants.
9. **Fund raising** – Deferred until Ken is available.
