OLD BUSINESS

Harbor Park Committee member Richard Carver gives an update regarding a meeting that was held on October 13, 2021 (see attached)

Select Board Chair Page met with County Administrator Andy Hart regarding the airport property that Owls Head leases for a cemetery on Ash Point Drive near the corner of Dublin Road. Hart states that legally it would have to be sold to Owls Head for market value.

Page says the County, at their expense, is going to have a contractor review and determine the acreage breakdown that is currently used for the cemetery.

Prior to any kind of sale of the property, it would have to go before the town for a vote. More research will be done in the future.
